LA QUERCE SECONDA

Chianti Organic

D.O.C.G

Toscana

Grape: Sangiovese 100%

Soil: Sand, clay, limestone

Altitude: 200-250 mt a.s.l

Exposure: South south-east

Yield per ha: 70 quintals

Plantation density: 5000 plants/ha

Alcoholic Content: 13.5%

Fermentation: 15-20 days

Colour: Ruby red colour

Tasting Notes: A fruity bouquet with hints of small red wild fruits and prune. A well structured wine with soft mature tannins, a pleasant young and fruity aftertaste accompanied by a good minerality.
